

Dear community,

We hope this email reaches you all in good health.

Racism and discrimination in the education system are still a reality, the current pandemic should not distract us from that! Together we are powerful enough to fight the stigmatization, exclusion and unequal treatment that our children and we still experience in educational institutions!

Therefore, we would like to invite you to our parent workshops in Mai 2021.

Same as last December, three workshops on anti-discrimination and anti-racism in the school context will be offered in German, English, and Arabic respectively:

Parents-Workshop I (German) - 03.05.2021

Parents-Workshop II (English) - 04.05.2021

Parents-Workshop III (Arabic) – 05.05.2021

The workshops will take place from 18:30-20:30 each day.

Register in time and receive the access data for the video conferences!

For participation in the parent workshops, please send an e-mail to: beratung@narud.org

Note: We use Zoom and are happy to answer technical questions in advance.

For other questions regarding upcoming events, please feel free to contact me personally (wachter@narud.org).

Kind regards

Jean-Michel Wachter
